

Over the Counter Medication Order

Dear Parent(s) / Guardian,

By law students cannot be given any over the counter medications or treatments unless there is a written order from your child's health care provider and written parental permission to administer these medications.

Having these orders on hand allows us to treat a child's headache, aches and pains, stomach ache, allergy symptoms and minor injuries with the goal of keeping our students in class.

ALL medications are kept in the Health Office.

The completed form can be sent to school with your child on the first day of school, or faxed to me at 518-437-8677.

Thank you.

Sincerely,

Kimberly Whelan BSN/RN
