SUSPECTED CHILD ABUSE AND MALTREATMENT

I. Obligation to Report Suspected Abuse or Maltreatment

Any school official or employee who is a mandated reporter who has reasonable cause to suspect that a child, less than 18 years old, coming before them in their professional or official capacity has been subjected to abuse or maltreatment by a parent, person in parental relation, or other person legally responsible for the child’s care, shall immediately report the case to the New York State Child Abuse and Maltreatment Register, in accordance with law and this policy. (See Administrative Regulation 5025R(I)(A),(B) for the definitions of “abused child” and “neglected or maltreated child”).

Mandated reporters under Section 413 of the Social Services Law include but are not limited to: physicians, psychologists, registered nurses, social workers, school officials, school teachers, school guidance counselors, school psychologists, school social workers, school nurses, school administrators, any other school personnel required to hold a teaching or administrative license or certificate, or a full or part-time compensated school employee required to hold a temporary coaching license or a professional coaching certificate. (See Administrative Regulation 5025R(I)(E)).

Mandated reporters who have reasonable cause to suspect that a child has been subjected to abuse or maltreatment must promptly make a report to the New York Statewide Central Register for Child Abuse and Maltreatment. After making such a report, the mandated reporter should then notify the building principal. However, the building principal shall not require mandated reporters to first come to him/her with any suspected child abuse or maltreatment before reporting same to the New York Statewide Central Register for Child Abuse and Maltreatment.

II. Reporting to State Office of Children and Family Services

The report to the NYS Central Register of Child Abuse and Maltreatment shall be made by telephone or via facsimile on a form supplied by the New York State Office of Children and Family Services. Telephone reports can be made through the hotline: (800) 342-3720. School administrators and teachers can also report suspected abuse or mistreatment to: (800) 635-1522.

After an oral report has been made, a written report on a form supplied by the New York State Office of Children and Family Services must be submitted to the appropriate local child protective service (unless a report must be made to the NYS Central Register of Child Abuse and Maltreatment in accordance with NYSOCS requirements). Any report shall include the name, title and contact information for every staff person who is believed to have direct knowledge of the allegations in the report.

Upon being notified of the report, the building principal or their designated agent will take or cause to be taken color photographs of visible trauma and shall, if medically indicated, cause a radiological examination of the child to be performed.
III. **No Contact with Child’s Family Regarding Suspicions**

School employees and officials shall not contact the child’s family or any other person to
determine the cause of the suspected abuse or maltreatment. It is not the legal responsibility of
the school official or employee to prove that the child has been abused or maltreated.

IV. **Reporting Obligation in Case of the Death of a Child**

Any mandated reporter who has cause to suspect that the death of any child is a result of child
abuse or maltreatment shall report that fact to the appropriate medical examiner or coroner.

V. **Consequences of Failure to Report**

In accordance with New York law, any person, official or institution required to report suspected
child abuse or maltreatment and who fails to do so may be guilty of a Class A misdemeanor and
may be held liable for the damages caused by his/her failure to report.

VI. **Immunity and Other Protections**

The law grants persons, officials and institutions and others who in good faith report suspected
instances of child abuse or maltreatment immunity from any liability that otherwise might be
incurred. Immunity shall be presumed so long as the official or employee was discharging their
official duties and acting within the scope of their employment, and that liability did not result
from willful misconduct or from their gross negligence.

Tech Valley High School shall not take any retaliatory personnel action against an employee
because such employee believes that he or she has reasonable cause to suspect that a child is
an abused or maltreated child and that employee therefore makes a report in accordance with
the Social Services Law and this policy.

VII. **Cooperation with C.P.S. Investigations**

Tech Valley High School shall cooperate to the fullest extent possible with law enforcement and
authorized child protective services workers in their investigations of alleged child abuse or
maltreatment.

VIII. **Staff Training Program**

Tech Valley High School shall provide or recommend training programs to address the
identification and reporting of child abuse and maltreatment for all newly certified employees and
refresher programs for previously trained employees.

IX. **Administrative Regulations and Policy Dissemination**

The Capital Region BOCES and Questar III District Superintendents have promulgated
regulations to carry out this policy. This policy and the regulations adopted administratively to
implement and enforce it shall be printed in all employee handbooks.
