TENURE POLICY

I. Statement of Philosophy

The Operating Board of Tech Valley High School believes that Tech Valley High School students and component school boards should be served by staff members who are well qualified to undertake their responsibilities. The Operating Board recognizes that decisions on tenure can have long-ranging impacts on student learning and growth and can either advance or detract from its relationships with component districts. It is the Operating Board’s belief that making good tenure decisions will advance the reputation of Tech Valley High School as an educational institution that provides superior instructional and district services to its component districts, thereby advancing the educational goals of all public educational institutions within the counties it serves.

This policy will promote these statements of philosophy, by providing clear expectations of achievement for probationary, tenure-track staff members in order to be recognized through the process of obtaining tenure, and by providing guidance to supervisory staff for making of tenure recommendations to the Operating Board. To the extent tenure-track employees are governed by the evaluation requirements set forth in Education Law, section 3012-d, this policy aligns with such requirements.

II. Expectation of Performance

A. All Tech Valley High School employees are expected to achieve and maintain a high level of professional performance and are expected to be representative of the organization’s commitment to “service, learning and excellence.”

1. Standard 1: An education leader promotes the success of every student by facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by all stakeholders.
2. Standard 2: An education leader promotes the success of every student by advocating, nurturing, and sustaining a school culture and instructional program conducive to student learning and staff professional growth.

3. Standard 3: An educational leader promotes the success of every student by ensuring management of the organization, operation, and resources for a safe, efficient, and effective learning environment.

4. Standard 4: An educational leader promotes the success of every student by collaborating with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources.

5. Standard 5: An education leader promotes the success of every student by acting with integrity, fairness, and in an ethical manner.

6. Standard 6: An education leader promotes the success of every student by understanding, responding to, and influencing the political, social, economic, legal, and cultural context.

III. Additional requirements for classroom teachers and principals

Probationary classroom teachers and principals are evaluated pursuant to the annual professional performance review (APPR) requirements set forth in Education Law, section 3012-d and in accordance with the approved Questar III APPR. In addition to expectations set forth in section II. of this policy, annual professional performance reviews during the probationary period will be a significant factor for tenure decisions.

IV. Tenure Review Process

A. The District Superintendent shall assure the establishment of procedures that will result in timely recommendations regarding tenure being made to the Board.

B. A tenure review committee shall be established for each probationary employee undergoing tenure review, for the purpose of making recommendations to the District Superintendents. The committee shall be composed of Tech Valley High School Principal/Chief Academic Officer, the Questar III Director of Human Resources, and designees of each district superintendent.

C. The tenure review committee shall review and consider, among any other relevant materials or information, the employee’s annual professional performance reviews during the probationary period, any counseling memoranda within the employee’s personnel file, and information solicited from committee members for the purpose of making a recommendation on tenure to the district superintendents, considering the philosophy and expectations set forth in this policy.

D. Recommendations made to the Operating Board shall contain such information and be presented in a format that allows the Operating Board to well-consider whether the granting of tenure may be made in accordance with the statement of philosophy and professional expectations set forth in this policy.
E. Any failure to conform to such processes set forth herein shall not defeat or otherwise affect the Operating Board’s ability to make a decision on any tenure recommendation, if otherwise in accordance with law.
