

First Days of School

Welcome back to TVHS for our 20th year!

We hit the ground running with community building and real-world impact. Our 2026–2027 school year kicked off with energy, collaboration, and a focus on what makes our community unique.

On Wednesday, September 9th, we hosted a 9th grade orientation for the Class of 2030. The entire day was centered around TRRS, our core values of Trust, Respect, Responsibility, and Stewardship. Students spent the day breaking the ice to make new connections and working through hands-on challenges.

On Thursday, September 10th, our entire school community headed off-campus to John Boyd Thacher State Park for a day of Stewardship. Groups of students and staff conducted trail maintenance, supported the nature center, and planted beets at the Regional Food Bank's Patroon Land Farm.

Business Partners

During our first full week of classes we have seen a number of business partners visit our school and our classroom. Thank you to partners from UAlbany and O'Connell and Aronowitz for working directly with our students in US History and ϕ LA.

We also welcomed visitors from the Virtual Universite of Cote d'Ivoire along with escorts from the Ambassador's office and Excelsior University for a tour and student conversations. They learned about teaching and learning at Tech Valley High School and plan to take those lessons back to work with high schools in Cote d'Ivoire.

From The Counseling Office

WPI visited to meet with seniors this week. Throughout the fall we have scheduled visits with colleges. In the next few weeks, SUNY Canton, SUNY Cobleskill, UAlbany, MCLA and RIT will be visiting. Seniors should watch out for emails from Mrs. Lee for details to sign up. Seniors should also fill out the recommendation request form and reach out to teachers.

Information regarding HVCC credit has been sent to students and families.

From The Main Office

If your child is late or absent from school, please email attendance@techvalleyhigh.org - Students will need to sign in when they are late
